4. As you are aware, the former Fiscal Inspector departed from the Fiscal Division on or about 6 August 1950 for a period of vacation leave. At that time, the then Chief of the Payroll Branch began receiving, for development, material which would normally have been assigned to the Fiscal Inspector. Likewise, the two individuals named herein accepted the responsibilities and performed the functions of the Chief, Payroll Branch and the Assistant Chief, Payroll Branch, respectively. They have, therefore, at this time been on detail in the respective jobs for a period in excess of 60 days. However, circumstances present in the Fiscal Division at the time of duty detail made it inadvisable to accomplish such detail through the execution of Forms 57-5.

5. In view of the exceptional qualifications of each of these individuals to perform the assignments to which we recommended they be promoted by submission of Requests for Personnel Action on 26 October 1950, it is kindly requested that action be taken at the earliest practicable date to place these individuals in the grades applicable to the assignments which they are accomplishing.

6. In arriving at the Effective Date, it would appear proper to consider that the individuals have been performing like assignments (Payroll work) during the entire period reflected herein.
